

| N. | CODE     | DESCRIPTION                                         | SERIAL NUMBER START OF SERIES |
|----|----------|-----------------------------------------------------|-------------------------------|
| -  | 3.012552 | G20 gas conversion kit                              |                               |
| -  | 3.014705 | Propane air gas conversion kit                      |                               |
| -  | 3.017641 | Complete control panel                              |                               |
| -  | 3.019965 | Hydraulic assembly                                  |                               |
| -  | 3.A405   | LPG gas conversion kit                              |                               |
| 1  | 1.025801 | Stud M4                                             |                               |
| 2  | 1.0153   | Crossheaded screw (M4x6)                            |                               |
| 3  | 1.010337 | Air pressure switch                                 |                               |
| 4  | 1.024803 | Seal fan                                            |                               |
| 5  | 2.012999 | Manometer bracket                                   |                               |
| 6  | 1.019220 | Gasket for flange with sample points                |                               |
| 7  | 1.019069 | Absolute pressure switch cap                        |                               |
| 8  | 1.8585   | Fairlead                                            |                               |
| 9  | 1.021517 | Fixed washer                                        |                               |
| 10 | 1.021801 | Spring for knob                                     |                               |
| 11 | 1.017859 | Expansion vessel (8 litres)                         |                               |
| 12 | 3.015676 | Gas valve connection group                          |                               |
| 13 | 1.023975 | 105-fin exchanger                                   |                               |
| 14 | 2.014177 | Front casing                                        |                               |
| 15 | 2.010317 | Sealed chamber cover bracket                        |                               |
| 16 | 1.026655 | Burner (15 ramps)                                   |                               |
| 17 | 2.013240 | Burner front deflector                              |                               |
| 18 | 1.019147 | Klixon thermostat 105-80 °C                         |                               |
| 19 | 1.021762 | NTC fast immersion probe                            |                               |
| 20 | 2.013307 | Burner bottom deflector                             |                               |
| 21 | 2.012501 | Expansion vessel bracket                            |                               |
| 22 | 1.024536 | Ceramic fibre panel, front                          |                               |
| 23 | 2.013132 | Casing side                                         |                               |
| 24 | 1.029611 | Bottom protective grid                              |                               |
| 25 | 1.012711 | Self-centring gasket                                |                               |
| 26 | 2.013239 | Lx air deflector                                    |                               |
| 27 | 2.010353 | Flue diaphragm (d.44)                               |                               |
| 28 | 3.A0120  | Gasket kit (3/4")                                   |                               |
| 29 | 1.0152   | Crossheaded self-tapping screw (3,9x9,5)            |                               |
| 30 | 3.019896 | Condensing heat exchanger                           |                               |
| 31 | 1.023374 | Peroxide epdm O-Ring (19,00x2,00)                   |                               |
| 32 | 1.024125 | Relay card                                          |                               |
| 33 | 1.026531 | Nitrile O-Ring (10,77x2,62,70sh)                    |                               |
| 34 | 1.026457 | Epdm O-Ring (7,6x2,62, 70 sh)                       |                               |
| 35 | 1.024471 | Pump - sealed chamber pipe (d.18)                   |                               |
| 36 | 3.020367 | Plastic siphon                                      |                               |
| 37 | 1.017228 | Anti-condensation pipe fitting                      |                               |
| 38 | 1.021238 | Metal-sheet clip                                    |                               |
| 39 | 3.A1363  | Gasket kit (1/2",n°50)                              |                               |
| 40 | 1.1178   | Nut (M4)                                            |                               |
| 41 | 1.7022   | Tropicalized crosshead self-tapping screw (4,2x9,5) |                               |
| 42 | 2.010314 | Sealed chamber bracket                              |                               |
| 43 | 1.024534 | Ceramic fibre panel, side                           |                               |
| 44 | 1.024535 | Ceramic fibre panel, rear                           |                               |
| 45 | 1.024527 | G20 gas manifold                                    |                               |
| 45 | 1.025514 | LPG gas manifold                                    |                               |
| 46 | 1.022611 | Hex headed screw (8x80)                             |                               |
| 47 | 1.4072   | Clip with clamp screw hole                          |                               |
| 48 | 1.2405   | Lx ignition electrode                               |                               |
| 49 | 1.4246   | Lock washer (M4)                                    |                               |
| 50 | 1.016246 | Crossheaded self-forming screw (M4x8)               |                               |
| 51 | 1.011057 | Pressure point screw                                |                               |
| 52 | 1.2408   | Rx ignition electrode                               |                               |
| 53 | 1.023879 | Plastic "Immergas" nameplate                        |                               |
| 54 | 1.023398 | Pump - expansion vessel pipe (d.10)                 |                               |
| 55 | 1.011122 | Detection electrode                                 |                               |
| 56 | 3.017906 | Flue hood group                                     |                               |
| 57 | 1.027009 | Silicone fairlead (d.2)                             |                               |
| 58 | 1.021519 | Pressure switch locking clip                        |                               |
| 59 | 1.021533 | Plastic mount for pressure switch                   |                               |
| 60 | 1.021892 | Siphon plug                                         |                               |
| 61 | 1.026460 | Peroxide edpm O-Ring (44,12x2,62)                   |                               |
| 62 | 1.010430 | Plug for flange with sample points                  |                               |
| 63 | 1.024524 | Fan                                                 |                               |
| 64 | 1.019228 | Siphon tank                                         |                               |
| 65 | 1.010334 | Hole gasket (d.80)                                  |                               |
| 66 | 1.024525 | Condensing heat exchanger,seal                      |                               |
| 67 | 2.013241 | Air distributing plate                              |                               |
| 68 | 1.023203 | Nylon masonry plug                                  |                               |
| 69 | 2.010615 | Boiler supporting bracket                           |                               |
| 70 | 1.013186 | Screw (M3,5x16)                                     |                               |
| 71 | 1.014365 | SIT 845 gas valve with connections                  |                               |
| 72 | 1.2170   | Crossheaded screw (M4x8)                            |                               |
| 73 | 2.014207 | Sealed chamber Lx side wall                         |                               |
| 74 | 2.014208 | Sealed chamber Rx side wall                         |                               |
| 75 | 2.013266 | Frame                                               |                               |
| 76 | 3.017237 | Sealed chamber cover assembly                       |                               |
| 77 | 1.023340 | Adhesive foam strip (d.15x3)                        |                               |
| 78 | 3.012705 | Glass inspection hole group with gasket             |                               |

|     |          |                                                       |  |
|-----|----------|-------------------------------------------------------|--|
| 79  | 1.024530 | Control panel bezel                                   |  |
| 80  | 1.021816 | Knob                                                  |  |
| 81  | 1.028943 | Ignition and modulation board                         |  |
| 82  | 1.027198 | Manometer                                             |  |
| 83  | 1.2265   | "Rapid fix" self-tapping screw (3,2x9,5)              |  |
| 84  | 1.022447 | Control panel back cover                              |  |
| 85  | 1.021141 | Connection group cover                                |  |
| 86  | 1.7908   | Black cable clamp                                     |  |
| 87  | 1.7967   | Crossheaded self-tapping screw (3,5x19)               |  |
| 88  | 1.027815 | Heat exchanger - flow pipe (d.18)                     |  |
| 89  | 2.013319 | Siphon bracket                                        |  |
| 90  | 3.A1124  | Gasket kit (3/8",n°50)                                |  |
| 91  | 1.021452 | Gasket for flexible hose                              |  |
| 92  | 1.2281   | Hex socket screw (M6x12)                              |  |
| 93  | 1.019654 | Flexible hose for siphon                              |  |
